Re: Right of Entry – Tank Investigation

By signing below I _____, (client) grant **Hydroscience, Inc.**, (HI) or their agent, permission to enter the premises known as _____ for the purpose of conducting a Magnetometer scan and/or collecting soil samples from the area of the underground or aboveground heating oil tank.

I also understand that the contents of the tank will be measured and/or a magnetic detector will be used to locate the presence of any additional underground storage tanks on the property.

I will hold harmless, **Hydroscience, Inc.** or their agent, and the person or persons requesting this investigation, from any liability that may arise from the findings.

I also represent that I am authorized to grant such permission.
